

International Buffalo Congress

www.IBC2019.uvas.edu.pk

**February 18-20, 2019,
Lahore, Pakistan**

Hosted by:

UNIVERSITY OF VETERINARY AND
ANIMAL SCIENCES LAHORE

**Sheikh Abdul Qadir Jilani (Oufall) oad
Lahore-54000, Pakistan**

Nili-Ravi buffalo, winner of milk competition-2018, has produced around 50 liters in 36 hours. On the other hand, over 1 kg per day weight gain has been obtained in buffalo showing the outstanding beef potential. Minimum age of puberty in buffalo heifers and bulls has been as early as 17 months and age at f i r s t calving around 30 months has been achieved. These are remarkable achievements. In order to showcase these, nationally and internationally, University of Veterinary and Animal Sciences (UVAS), Lahore, Pakistan is organizing

“International Buffalo Congress” on February 18-20, 2019 in Lahore Pakistan.

Prof. Dr. Talat Naseer Pasha, S.I.
Chief Organizer

We have the great honor of cordially inviting and welcoming you to the International Buffalo Congress. This congress aims at addressing the various aspects of buffalo science and their impact on the socio-economic status of the people. This event provides an opportunity to exchange experiences among participants in a science perspective. This event also build and strengthen the friendship among the experts of the region and worldwide, and attain novel thoughts of buffalo science. In this cool weather, enriched by the natural beauty, we take on the pride of receiving distinguished guests from all around globe at the IBC-2019. The scientific program is accredited by national and international renowned speakers, which, combined with the hospitality of

Lahore, makes us realize that your presence and participation will contribute to the prestige of our event and raise its quality.

About Pakistan

Pakistan is located in South East Asia. It was founded as an Islamic Republic in 1947 after the British Raj ended in the Indian sub-continent. Islamabad is the capital of Pakistan. Karachi and Lahore are the largest and second largest cities respectively and also major cultural and economic centers. Pakistan has four provinces: Punjab, Sindh, Baluchistan and KPK. Each province has distinct cultures, traditions and even languages. Pakistan shares borders with India, Afghanistan, Iran, and China. The population of Pakistan is nearly 200 million, making it one of the world's most densely populated state. Pakistan has four diverse seasons making its climate favourable for the country's large agricultural base. It has a strong history and culture. Pakistan is a member of the United Nations, the Commonwealth of Nations and SAARC.

About Lahore

Although Lahore, the city of gardens, may not be Pakistan's capital city, yet it wins hands down as its cultural, intellectual and artistic hub in Punjab. If history and architecture are your passion, there is an evocative mix, from formidable Mughal monuments to faded legacies of the British Raj. The city is also much of Pakistan's tourist industry, with major attractions including the old Walled City, Greater Iqbal Park, Shalimar Garden, Badshahi Mosque, Wazir Khan Mosque, Lahore museum, Lahore Zoo, Wildlife Safari, Sozo water Park and many more. For those in search of spiritual sustenance, Lahore has qawwali (Islamic devotional singing) and sufism (Islamic mysticism) influences to explore. Sumptuous delicacies and the Lahori spirit enliven the atmosphere along with your taste buds as you stroll down the dazzling mélange of restaurants. It has the bubblegum glamour of Lollywood cinema, shopping malls full of designer labels, cricket on the Qaddafi Stadium and much more

Congress Hosting Organization UVAS

With a marvelous history of 133 years of excellence, the University of Veterinary and Animal Sciences (UVAS), Lahore is now positioned among top ten Universities of Pakistan. Originally established as a Veterinary School in 1882, it was transformed into University in 2002. The UVAS reflects a unique blend of glorious history and ongoing professional advancement of the modern era. UVAS has now expanded to five beautiful campuses at Lahore, Pattoki, Jhang and Layyah. With a slogan "Provoking Potentials, Producing Professionals", UVAS has fast moved towards multi-level education and skills development institution. In recent years, UVAS has emerged as a hub of professional advancement in wide ranging areas including Veterinary and Animal sciences, Pharmaceutical Sciences, Food Sciences, Environmental Sciences, Economics and Business Management. Equipped with state-of-the-art teaching, training, research, clinical and diagnostic facilities, UVAS demonstrates professional excellence in academics, research, development and services. UVAS offers range of professional services to the community that include diagnostics facilities, veterinary extension services, biologics production, consultancy and advisory services, regulations and policy framework etc.

Congress Aims and Objectives

IBC-2019: International Buffalo Congress aims at providing platform to prominent scientists, researchers, research scholars and entrepreneurs to congregate, and share their experiences and research results on various aspects of buffalo viz. thematic areas of nutrition, reproduction, genetics, management, health, and socio-economics. It also provides a premier interdisciplinary platform for scientists, researchers and practitioners to present and discuss recent innovations, trends, and concerns related to buffalo health and management.

IBC-2019: Salient Features

- »» Oral presentations from international and national invited and selected speakers
- »» Highly Organized and Structured Scientific programs
- »» Poster presentations and world class exhibitions
- »» Meet Academia and Industry visionaries to get inspired
- »» Expand your knowledge and find solutions to problems
- »» Knowledge, Benchmarking and Networking offered at one place
- »» Forge connections and for global networking
- »» Milk and Beauty Competition and Buffalo Show
- »» Exhibition and Post-congress tour
- »» Gala dinner with cultural show
- »» Visit to historical places in Lahore
- »» Meet with new vendors and suppliers

Call For Abstracts

The Program Committee invites authors to submit abstracts for presentation within the program of IBC-2019. Submissions are sought for oral and poster presentations and can be made via the Abstract Submission system at www.ibc2019.uvas.edu.pk. The submitted abstract will be peer reviewed by the scientific committee and authors will be informed about the outcome of the review process.

Publication of Research Papers

"Publication of research paper": High quality abstracts will be short listed after review by the Congress Scientific Committee and authors will be invited to submit full length paper for publication in impact factor journal after peer review.

University, Zagazig Egypt

Why Attend?

Advancing knowledge and skills The IBC-2019 is a world-class program of speakers from across the globe, sharing all the latest in buffalo science and discussing the topics that are of most interest to you. You'll discover exciting innovations that are transforming buffalo care and learn how to adapt and innovate to meet future business and industry demands and challenges. Special interest groups will also lead field trips and workshops giving you more hands-on learning experiences. IBC-2019 features an extensive social program. Special interest group dinners, happy hours, meet and greets and the conference dinner - these are just a few of the events planned to enable you to gather with colleagues, exchange ideas and share experiences.

Easy Ways To Register

Only registered delegates/participants would be able to get published their abstracts/papers, in abstract book/Congress proceedings.

The students would have to provide proof of studentship for discounted registration rates.

Download Congress registration form, fill it out and send scanned copy to mavais@uvas.edu.pk along with proof of registration fee payment.

Registration and payments Methods

Cash Payment

Delegates/Participants can get themselves registered on cash payment.

Visit congress registration office at Department of Clinical Medicine and Surgery, UVAS, Lahore and get registration form, fill it out and submit.

Pay registration fee in cash and obtain payment receipt for your records.

Pay Order/Banker's Cheque

Delegates/Participants to download registration form here and fill it out.

Make a pay order from any of the banks in favor of "International Buffalo Congress, Feb 18-19, 2019" and mentioned account details mentioned on the registration form.

Send registration form and pay order/bankers cheque via courier service to Congress registration secretariat**

The registration secretariat will confirm the registration via email or phone calls to the participants.

Online Transfer

Delegates/Participants can also transfer the registration fee through online banking system.

The participants would transfer the funds in the IBC-2019 account as beneficiary.

The participants would insert following details for the confirmation of transaction and registration of IBC-2019.

Title of Account: *International Buffalo Congress*

Name: *MCB Bank limited*

Branch : *District Court Branch (0854) Lahore, Pakistan*

Bank account: *1007310181002342*

IBAN CODE: *PK31MUCB1007310181002342*

Swift code. *MUCBPKAA*

Send scanned copy of registration form and online payment slip and send it at mavais@uvas.edu.pk or send the hard copies via courier to Congress registration secretariat at Department of Clinical Medicine and Surgery, University of Veterinary and Animal Sciences, Lahore-54000-Pakistan.
