

## PRE-CONGRESS WORKSHOP ON “DETECTION OF ADULTERATION IN BOVINE MILK”

### PRE-CONGRESS WORKSHOP

On 13 February 2019

## ONE DAY NATIONAL HANDS-ON TRAINING WORKSHOP ON “DETECTION OF ADULTERATION IN BOVINE MILK”

### **Why you should attend the workshop?**

Milk Adulteration is a worldwide issue and especially encompasses the developing states where utilization of buffalo milk is an integral part of daily life. The extensive consumption of milk and dairy products in Pakistan makes these foodstuffs targets for potential adulteration with financial gains for unscrupulous producers. Unfortunately, due to the unorganized and non-regulated marketing system in Pakistan, the quality of milk is hardly maintained at consumer level. The workshop would enable the participants to know the detection of routine adulterants in milk

**LAST DATE OF REGISTRATION**

**12 FEB, 2019**

**Registration Fee: Rs.300/- PKR**

Venue: Seminar Room,  
KBCMA CVAS Narowal

Contact Details:

**Mr. Sulman Ali Taseer**  
**Mob: 03314814198**

**Mobile: 0331-481419**

**UVAS**  
UNIVERSITY OF VETERINARY AND  
ANIMAL SCIENCES LAHORE

### **Organizing Committee:**

- 1. Prof. Dr. Muhammad Younus**  
(Principal, KBCMA-CVAS Narowal)
- 2. Dr. Ali Ahmad**  
(Assistant Prof., Microbiology)
- 3. Dr. Waqas Ahmad**  
(Assistant Prof., Epidemiology)
- 4. Mr. Sulman Ali Taseer**  
(Lecturer, Pathology)

### **Who should attend the workshop?**

- **Field Veterinarians**
- **Health Professionals**
- **Academia**
- **Food Authority Personals**
- **Faculty**
- **Lab Technical/Para-Vet Staff**
- **Students**

### **What are benefits of this workshop?**

- **Learning of the hazardous effects of adulterants**
- **Knowing the common signs and symptoms associated with milk adulteration in humans**
- **Workshop Certificate**
- **Refreshment**

## **PROGRAM LAYOUT**

<b>S. No.</b>	<b>Activities</b>	<b>Time</b>	<b>Resource Person/(Affiliation)</b>
<b>1.</b>	Registration	8:00--9:20 AM	Mr. Sulman Ali Taseer Lecturer, Pathology
<b>2.</b>	Recitation of Holy Quran and <i>Naat</i>	9:20--9:30 AM	Seminar Room
<b>3.</b>	Introduction to Milk composition, Adulteration and Public Health Importance	9:30--10:00 AM	Dr. Waqas Ahmad Assistant Professor (Epidemiology)
<b>4.</b>	Methods for Detection of Common Adulterants in Bovine Milk	10:00--11:00 AM	Dr. Ali Ahmad Assistant Professor (Microbiology)
<b>5.</b>	Performance of Methods to Detect Milk Adulterants	11:00--12:30 PM	Microbiology Lab
<b>6.</b>	<b>Lunch &amp; Prayer Break</b>	<b>12:30 PM TO 2:00 PM</b>	
<b>7.</b>	Hands on Practice	2:00 PM--3:00 PM	Microbiology Lab
<b>8.</b>	Concluding session/Chief Guest address & certificates distribution	3:00--3:30 PM	Seminar Room
<b>9.</b>	Vote of Thanks and Group Photo	3:30--4:00 PM	Seminar Room

**Note: \*No TA/DA is permissible.**
